Epoxy Coated Steel Battery Trays

853-31

854-31

Steel battery tray designed for rugged environments where breaking is not an option. A great replacement for rusted or damaged OEM style trays. This vinyl coated steel tray combats corrosion and cold climate cracking. The drain slots with mount holes or brackets prevent fluid accumulation. Group 24 size batteries fit well in the 11" tray and Group 27/31 size batteries fit well in the 13" tray.
